HOW PRYMA WORKS:

The Complete Breakdown of Our Self-Sustaining Ecosystem

Pryma has engineered a revolutionary triple-win business model that seamlessly connects advertisers, investors, and content creators in a perpetual cycle of value creation. Here's an in-depth look at how each component interacts to generate sustainable earnings for all participants

THE ADVERTISER ADVANTAGE:

Paying for Premium Exposure

At the foundation of Pryma's ecosystem are brands and businesses looking to promote their products or services.

These advertisers:

- Fund the system by paying Pryma for guaranteed ad views
- Gain access to a highly engaged audience of investors who actively watch promotional content
- Receive detailed analytics on viewer engagement and conversion metrics
- Benefit from cost-effective marketing compared to traditional ad platforms

This advertiser's funding creates the revenue pool that powers the entire Pryma economy

THE INVESTOR OPPORTUNITY:

Turning Time into Earnings

Investors form the active participant base that makes the system thrive. By joining Pryma, you:

- Select an investment plan matching your financial capacity (from \$10 to \$1,000 options)

- Commit just 30 seconds daily watching two short video ads (15 seconds each)
- Receive automatic payouts directly to your wallet upon task completion

The investor role is designed for maximum accessibility – no special skills or large time commitments required. Your simple daily participation validates ad views for advertisers while generating your passive income.

THE CREATOR GROWTH ENGINE:

Accelerating Channel Success

Content creators and businesses leverage Pryma to:

- Submit videos for promotion through a simple dashboard interface
- Purchase guaranteed views at competitive rates
- Gain authentic engagement from real viewers (no bots or fake accounts)
- Fast-track monetisation through increased watch time and subscriber growth

Unlike shady view-selling services, Pryma delivers genuine audience development because every view comes from actual platform users completing their daily tasks.

FOR INVESTORS: TURN MINUTES INTO MONTHLY PROFITS

The Pryma Investment Contract

When you upgrade to any regular plan, you enter a 208-day business contract with Pryma, under these terms:

- Daily Profit: Earn daily ROI (fixed for 8 months).
- Simple Task: Watch two 15 seconds ads daily (takes less than 1 minute).
- Auto-Crediting: Earnings are credited straight to your wallet upon task completion.

Key Conditions:

- Missed task = forfeited earnings for that day.
- Contract expires after 208 days → Renew by purchasing a new plan.

EASY AND SECURE DEPOSITS AT PRYMA

At Pryma, funding your account is quick and effortless. To get started—whether you're an investor trying to purchase a plan, complete daily tasks, earning rewards or an advertiser trying to promote your content—you'll first need to make a deposit.

For global accessibility, we accept cryptocurrency deposits, specifically USDT (Tether). Here's how to fund your account:

- Go to your Account Profile Page.
- Click the Deposit button.
- Follow the on-screen instructions to complete your transaction.

New to crypto (USDT)? No problem! You can:

- Reach out to your referrer or team leader for guidance.
- Watch our step-by-step tutorial videos on our TikTok channel [tiktok.com/@officialpryma].
- Contact our support team via the "Ask Us" or "Contact Support" button on your pryma account dashboard.

EASY AND SECURE WITHDRAWALS AT PRYMA

At Pryma, you can withdraw your earnings daily (except on Sundays, which is also a task-free day). To request a withdrawal, ensure your account wallet meets the minimum withdrawal amount for your current plan—this varies depending on your investment tier.

Withdrawal Methods:

1. USDT (Cryptocurrency) –

Our primary withdrawal method for global accessibility.

2. Bank Transfer (Select Countries) –

Through our strategic partnerships with local agents, investors in supported countries can withdraw directly to their bank accounts.

How to Withdraw:

1. Go to your Account Profile Page.
2. Click the "Withdrawal" button.
3. Follow the on-screen instructions.
 - If Bank Transfer is available in your country, you'll see the option.
 - Otherwise, proceed with USDT.

The process is simple, automated, and fast—so you get your earnings with ease!

FUND TRANSFERS BETWEEN PRYMA ACCOUNTS

At Pryma, you can easily transfer funds from your account to another member's wallet Making it convenient for team support, referrals, and collaborative growth. Before You Transfer, ensure the transfer amount is available in your Pryma wallet and you have the recipient's Pryma username ready.

How It Works:

1. Go to your Account Dashboard.
2. Select the "Transfer" option.
3. Enter the recipient's username and the amount.
4. Confirm the transaction.

Once completed, both sender and recipient will receive email notifications for transparency.

Ideal for Team Leaders:

This feature is especially helpful for assisting referrals who may be new to cryptocurrency deposits, ensuring a smooth onboarding process.

PLATFORM SECURITY

At Pryma, we prioritize the safety and security of our users' accounts and funds. Our platform—both the website and mobile app—adheres to stringent industry security standards, including encryption protocols, two-factor authentication (2FA), and regular security audits. We employ advanced measures to prevent unauthorized access, fraud, and data breaches. Rest assured, your financial transactions and personal information are protected with the highest level of security to ensure a safe and seamless experience.

SOCIAL MEDIA SECURITY TIPS

Beware of Fake Pryma Accounts on Social Media
